MEMORANDUM FOR: Director of Administration 25X1A

SUBJECT : Attached Memorandum from [REDACTED]
Ramo-Wooldridge Field Engineers

25X1A

I imagine this is a real requirement and that we should make the formal request to the contractor that is posed by [REDACTED]. I should think, however, that we would limit to one, or at most two, the number of detachments which would make use of the System No. 4 equipment, so we should not need more than two field technical representatives.
